Simon and Debbie Dust*

Our culture is obsessed with lifestyle. Magazines and websites tell us what to wear, how to get fit, what to drive and how to love. Everyone wants to tell us how to live our lives. In this simple but radical talk Jesus shows us how to deal with anger, money and difficult people. Simple, profound and memorable, Jesus's words in the Sermon on the Mount are as relevant and as challenging today as they were 2,000 years ago.

Gift Day

On Sunday 24th November we will have our Gift Day. Gift Day is when we look to support a number of projects outside of

St Andrew's, locally & overseas. The Gift Day booklet contains information on all of the projects we are hoping to support this year. Do be praying about what you can give, not just from your surplus, but from what you have. Jesus commended the gift of a few coins in the temple

Car Parking

Please remember to park your car considerately when coming to church on Sunday, even if you are running late. We have received some complaints from neighbours, who have informed us of people parking in private residential car parks and across driveways. Please park in Highcrest School car park if you are able to, rather than parking in side roads, and park in the main church car park if you struggle to walk across to St Andrew's from

One Can Update

Referrals to the food bank are still increasing. During the summer we had a high volume of referrals and a decrease in donations. This resulted in extremely low stock and empty shelves for some of our most needed items. Our Harvest Campaign was successful again this year - thank you to all those involved. Our stock levels are healthier, but we still have very low stock of some essential items. Long-life milk, Tinned ham and corned beef, Tinned meat meals such as
